

INDUSTRIAL BURNERS

ECO PRG SERIES PREMIX BURNER

AREA OF APPLICATIONS

- Food industry,
- Textile,
- Metallurgy,
- Surface coating,
- Industrial furnaces.

FEATURES

- Compact design,
- Wide capacity range from 35kW to 1000kW,
- Homogeneous combustion,
- High modulation rate,
- Flame kickback protection,
- Low CO and NOx emissions,
- Compatible with Natural Gas / LPG
- Quiet operation,
- Low electricity consumption,
- Easy installation and operation.
